

## Trustee

Postcode Sport Trust is a grant-giving trust awarding funding to charities and good causes delivering activities in the sporting charity sectors. In 2017, we will award up to £3 million and our sole revenue is generated through our society lottery marketed as People's Postcode Lottery.

Due to changes within the Board of Trustees, Postcode Sport Trust is now seeking to recruit an experienced Trustee to provide leadership and direction. The Trustees have overall governance and strategic direction for the charity and work closely with the Executive Manager and the administration team who will implement the Board's decisions.

Trustee's responsibilities include insuring the Board has the appropriate skills mix and that the organisation complies with its governing document, charity law, company law and any other relevant legislation and regulations.

Considerations will be given to candidates from all backgrounds and sectors, but we would particularly welcome candidates who can demonstrate one or more of the following:

- Experience of charity management and fundraising
- Expertise in charity sector
- Experience of grant giving and the charity funding environment
- Experience of operating a society lottery including the application of the Licensing Conditions and Codes of Practice

As a Trustee you will demonstrate integrity, strategic vision and good independent judgement. You will demonstrate strong leadership experience along with excellent communication skills. As our revenues are derived from our lottery, you will also be required to hold a personal management licence.
